Quickheal to list shares on 18 Feb

Mumbai: Software firm Quickheal Technologies Ltd, which raised ₹451 crore through its initial public offering (IPO), will list its shares on the stock exchanges on Thursday. The equity shares will be listed on the NSE as well as on the BSE Ltd. The IPO, which closed on 10 February, was oversubscribed 11 times at a price band of ₹311-321 per share. The IPO consisted of fresh issue of ₹250 crore and an offer for sale of about 62.70 lakh equity shares by promoters Kailash Sahebrao Katkar and Sanjay Sahebrao Katkar, as well as Sequoia Capital India Investment Holdings III. **PTI**
